SAILING
& KAYAKING CLUB

Founder membership for just: £25

The Portobello Sailing & Kayaking Club is a new facility on the Portobello Promenade. The club opened in April 2009, following the successful planning application which enabled the club to lease land from the council for use as a dinghy compound. In May, the compound was fenced providing safe storage for dinghies and kayaks. During the summer, the club, in tandem with the RYA has run courses for almost 250 children between the ages of 8 and 14 and even for 10 adults who did the RYA level 2 course in a weekend. The boat yard is already half full and we anticipate that we will have reached capacity by the end of next year.

Now that we have the fence installed, with your help we can begin to realise our plans, but you will see from the shopping list opposite that we have a great deal of money to raise.

As you can image the start-up costs for such an venture are significant. We have had some lottery-type money which paid for the fence (almost) but we need a great deal more – as you can see.

Over the next couple of months our aim is to complete the building of the shed in which we will store a rescue boat, but also raise money for its purchase plus, an engine, tractor and trailer etc.

Founder membership is a £25 one off payment designed to help the club get off the ground way!

Please join us if you can.
